

Experience Days

**10TH ANNIVERSARY
OPEN HOUSE & TRAINING WEEK
OCTOBER 13 - 17, 2025**

Eijkelkamp
North America

Your Focus. Your Path. Craft an Experience That Delivers What You Need.

Join us for an immersive week of training, demos, and expert insights covering the latest advancements in soil and water research and investigation technologies. Get hands-on with Sonic drilling, CPT rigs, water sampling, real-time data collection, monitoring tools, and more.

Key Highlights

- » **Sonic & CPT Training:** Two separate days for each discipline
- » **Live demonstrations** (Sonic, water sampling, and real-time data collection, infiltration testing, CPT, etc.)
- » **Open House** with soil, water, CPT, and Sonic workshops and demos
- » **1-on-1 Time** with subject matter experts to explore your specific goals and challenges
- » **Network** with industry peers through collaborative events and social receptions

Agenda Overview

October 14-15	Sonic and CPT Training Courses
October 16	10th Anniversary Open House featuring customized workshop tracks, live demos and new technology highlights
October 17	Optional 1-on-1 expert sessions

Each day includes meals, networking, and interactive learning opportunities. Agenda subject to change. Please visit event webpage for the latest information.

Why Attend?

Whether you're an industry veteran or just starting out, this free of charge event is designed to connect you with the tools, training, and team that will elevate your projects. Learn from Eijkelkamp experts and explore innovative, field-ready technologies.

Who Should Attend?

Field engineers, environmental consultants, drillers, government agencies, academics, and anyone involved in geotech, water, or soil investigation.

Social Events & Networking

Join fellow attendees for a welcome reception and dinner with entertainment following the Open House.
